From The Chief

Hello Members

I'm extremely excited to be the incoming President of this terrific club in 2019.

I'm asking for everyone's support and participation in our club this year.

We just finished our annual club business meeting and we have a very busy and exciting year ahead (see the events calendar in this newsletter and on the web site).

First of all is our hosting, along with Delmarva Chapter, the 2019 POCI Annual Convention in Gettysburg, Pa the week of July 16th through the 21st. We have been planning this event for almost 3 years and our convention that we want to be considered the best ever. We continue to need help from our current club members, other clubs in the area and fellow car enthusiasts. If you enjoy the POCI conventions in the past please try to find some time to assist us. You can contact me, Dick Stover or show chairman Jim Martin.

The second half of my request is support our 2019 club functions. In this newsletter is the schedule please come out to our car shows and our club events. A lot of time is put into planning and we would appreciate strong attended events. So finally my message for this newsletter is please support your club on 2019.

See you at car event, please introduce yourself as I surely will be doing the same.

Thanks Tom Wright

1926 BOSTON AUTOMOBILE SHOW

On the front cover of this newsletter you will see an ad for the 1926 Oakland Roadster. A friend of mine has a collection of auto show brochures and shared a couple with me. This is a 108 page slightly smaller than 8-1/2 x 11 soft cover book – this was a big deal! What struck me right off were the number of cars represented at the show that are no longer around, and there are a couple I do not think I had ever heard of – how about the Diana? See the chart below:

Ajax	Auburn	Case	Chandler
Cleveland	Cunningham	Davis	Diana
Elcar	Essex	Flint	Franklin
Gardner	Hudson	Hupmobile	Jewett
Jordan	Kissel	Locomobile	Marmon
McFarlin	Moon	Nash	OAKLAND
Oldsmobile	Overland	Packard	Paige
Peerless	Pierce-Arrow	PONTIAC	Reo
Rickenbacker	Star	Stearns-Knight	Studebaker
Stutz	Velie	Wills Sainte Claire	Willys-Knight

Now, here are some parts and supply manufacturers that were at the show who are no longer with us:

Salem Tires	Norwalk Tires	Overman Tires
Ernest Flentje Shocks	Fendalite (fog & driving lights)	Schebler Carburetors (since 1902)
Protectomotor (air filters)	Lovejoy Shocks	Atwater-Kent Radio
U.S. Motor Oil	Joseph Palmer Springs	Watson Stablators (speedometers & clocks)
Panyard Piston Rings	Simplex Piston Rings	Marvel Carbureters
Hartford Batteries		

and some survivors who, in several cases expanded and added products used today:

Willard Batteries	Purolator	Veedol (oils & greases)
Chevrolet	Ford	Chrysler
Dodge	Cadillac	Buick
Lincoln	A.C Spark Plugs	Standard Oil Co.
Champion Spark Plugs	Schrader (tire) valves	American Chain Co.
The Carborundum Co. (abrasives)	Snap-on	Curtis Pneumatic Machinery (compressors)
Yellow Jack-It (garage jacks)	Marvel Oils	Bosch
