**Junk Yard Crew**

# FROM THE CHIEF

From Jim Martin

As your new President, I want to welcome everyone to another exciting year with the Keystone-POCI. I do have to admit that it took a bit of persistence from Dick Stover and Bill McIntosch to persuade me that I should even consider the position. But... as I reflect on the decision to accept (ultimately permission from Elke), it really is an honor to be considered and accepted! Thank You! I want to thank Scott for persevering, despite a difficult work schedule and a lot of very events that were extremely important to his family. And, I would be remiss if I did not thank Steve Liebert and everyone else who unselfishly contributed their time and efforts keeping the club on track. It was the cordial, unselfishness of so many of you who contributed, participated, and just came to enjoy the Keystone-POCI that made my decision easy. It is hard to imagine not enjoying our Pontiacs without friends like you! I believe our outlook is bright. With renewed and energized leadership from a POCI-National Board of Directors that understands and respects the contributions of our founders and long time members, I am positive that we, at the chapter level, will benefit from this invigorated support.

The annual Board of Directors meeting was well attended and I want to thank everyone who has volunteered to assist with the management of the club this year. We had some extremely difficult decisions to make regarding which activities to undertake this year and which ones to defer to another year. The list of activities we agreed on is highlighted on page \_\_ of this Newsletter and Richard has posted the complete list on our web site. There are a few tweaks and final coordination that need to be made to several events but it looks like another great lineup of events. As you will see, we are going to continue some of the activities that have become an annual event and for the fall event, a multi-day tour. Please mark your calendars and join us for some Pontiac family fun! Until next time... stay safe!

## *Christmas Party*

We had 27 persons attending and were honored to have Don and Carol Barlup in attendance. Also we had Harry Tucci, his son and two grandsons attending and they have indicated that they will be joining. If you remember, Harry, his son and one grandson were with us on the fall tour. Don Haley brought a 30 minute film that documented the 1957 Daytona NASCAR race won in record time (101 mph) by a 57 Pontiac driven by Cotton Owens. In addition, Lenny the DJ did is usual great job of providing Christmas music for all to enjoy. He also reran the TV documentary of the refurbishing of a "junk" 1969 GTO and it's sale in Arizona. We reminisced about the year's events and about past club activities. A real family event with an exceptional buffet meal and the four hours went by too fast.

## *Junkyard Tour 2012*

The Keystone State Chapter of POCI visited Wrightstown used Auto Parts and Salvage, Penns Park, Pa. We had a great weather day for this event. We had a great breakfast at Back to the 50's Diner, located at Edison Furlong Rd. and York Rd. (Rt. 263). From there we had a short drive through scenic Upper Bucks County, to the yard. Richard Yost was our stand in host. Keith, behind the counter, was our go to guy for pricing. About 18 souls showed up to walk around the clean and dry yard to view the remains of the once proud vehicles.

The Little Indians Chapter was represented by their President, (I'm pretty sure) Gary Kahn, and his Lady. He brought his 62 Tempest. Scott Schuman drove his '65 2+2, we also had a '68 Chev. Impala brought by some friends.

As the day progressed, Don, the yard owner showed up. I asked if we could view his collection of cars, he consented. He has a couple '66 Catalina convertibles. A couple of full size '71 and '72 convertibles, Grandvilles I think. A 30's street rod, a '65 Buick Gran Sport with the dual quad engine. A '61 Bubble top Catalina, a couple of '72-'73 Mustangs, a mid 90's Mustang, plus a '84 Monte Carlo SS a '94 ex cop car. A '66 suicide Lincoln 4dr. Conv. project was the only vehicle outside. A large pole barn housed all the cars. For the guys that stayed, we got to kibbitz with the yard owner and view his rides and the stories behind them. A GREAT day!
